Re: case # 98-02675-5-ATS

PEGGY B. DEANS, CLERK  
U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF N. C.

Dear U.S Bankruptcy Court:

We definitely want to ask the court to reconsider our claim as we are totally disappointed with this result; after all our claim has been on file for years.

I think correspondence of such importance should be sent via quick and guaranteed delivery; it seems to take forever to receive mail from your area, why that would be, I don't know.

When do you expect future distributions?

Thank you for responding

A. Nielsen
